

Mercer County Golden Eagles Football - 2009

This is a brand new era for all of us, new school name, new mascot, and new coach. The only thing that didn't change is The **Tradition must continue** and I've been asked to video the 2009 football season again. I need at least 15 football players to commit **(along with their parent's signature)** to order the 9 regular season games.

For those players wanting to sign up for the whole season the price will be \$15.00 per game even through the playoffs **(excluding the championship game and the highlight video)**. The price will be \$18.00 per game for those players wanting just certain football games.

Again, I will need 15 players to commit to make it financially worthwhile. We have been videotaping Aledo - Aledo/Westmer football since 1996 (we have all those game available too) All the games will be on DVD and you will be able to go directly to each quarter of each game. Please give me a call with any questions at 586-4111 (leave a message), email me, or sign below and send to:

Mercer County 2009 Football Season

I want to ordering all 9 regular season game videos in the 2009 football season.
 I will get an invoice for the 9 games with the first game video.

I want to ordering only the playoff DVDs.
 I will get an invoice after the last playoff game.

I will also want any playoff games. I will get an invoice after the last playoff game.

I want to order in for the highlight DVD for the 2009 football season.
